

2011 CAMPERSHIP APPLICATION INSTRUCTIONS

The Simon Kenton Council, BSA promotes camping and does not want any Cub Scout, Boy Scout, or Venturer to miss the opportunity to attend a summertime camping or training program offered by our Council.

A Scout is Thrifty. The Boy Scouts of America and the Simon Kenton Council encourage all Scouts to pay their own way to Scouting activities, as this philosophy supports the basic aims of Scouting. However, we realize that some Scouts need a little extra help at times in order to participate.

Camperships are limited to registered youth members of the Simon Kenton Council. Camperships may not be used for out-of-Council programs.

We encourage Scouting units and families to help Scouts earn funds for camp. Here are some suggestions:

1. Sell Popcorn! The unit can allocate a portion of its commission to individual salesmen.
2. Organize a fund raising project to specifically assist youth attending camp. Each Scout should be given credit towards camp fees based on the amount of effort he puts in.
3. Each Scout should be encouraged to save money on his own, i.e., birthday gifts, mowing lawns, shoveling snow, or other odd jobs.
4. If a Scout needs assistance finding a job, the Unit Committee should contact the Chartered Organization for help in identifying sources of jobs and funding. If money is given, the Scout should work for it by doing projects for his church, school, or community.

If after trying all of the above, the Unit finds that a Scout still needs financial help, the Simon Kenton Council Campership program will attempt to provide assistance. The Unit Leader or the Unit Committee Chair must discreetly work with the family and carefully follow the procedure outlined below:

1. Verify with the family that there is a true need. Make sure that all other sources of funds have been exhausted before requesting campership assistance. Campership funds are very limited, and we are not able to meet all requests. We need your help to see that campership dollars are provided to those who most need assistance. Requesting funds for someone who doesn't truly need it may prevent another deserving Scout from receiving assistance.
2. The Unit Leader or Unit Committee Chair, with the discreet assistance of the family, must fill out the Campership Application. The comments on each application will be treated as confidential and only members of the Campership Selection Committee will have access to this information. The application must be filled out completely and signed by both the unit leader and the parent.
3. In order to be considered, completed applications must be submitted to the Campership Selection Committee via the Council Service Center no later than April 29th.
4. Each application will be carefully and objectively reviewed by the Committee, based solely on the degree of need as indicated on the form. However, please be aware that although the Committee would prefer to provide 100% funding requested for each and every application, a lesser amount may only be allowed, subject to the total number of applications received and amount of funds available.
5. Selections and notifications to Unit Leaders will be made around May 20th.
6. If for any reason you must deviate from this procedure, you must attach a statement of adequate justification to support the deviation.
